The tooth system that bites back!

- **Faster** - hammerless for a quick, easy changeout.
- **Safer** – push-out ramp and audible 'clack' for an easy tooth swap.
- **Sharper** – new shape improves penetration by 15% compared to previous versions.
- **Greener** – pins can be re-used. No need to buy new pins with every tooth purchase, less waste.

10% OFF KPRIME TEETH & PINS
