**10% OFF
ALL PINS
AND
BUSHES!**

PINS AND BUSHES

Pins & Bushes are connecting components that are integral for maintaining a high work standard and consistency under extreme pressures.

Find out more about pins and bushes here:
<https://marubeni-komatsu.co.uk/support/parts/pins-bushes>

**5% OFF
MAINTENANCE
KITS!**

Maintenance Kits

Consisting of all the right parts to complete your interval service as per the operations manual.

5% off 500, 1000 and 2000 hour kits for D61 & D65 class Dozers when purchased through the Parts Team.

Contact: Parts@mk1.co.uk | 0845 601 5540

MIRRORS

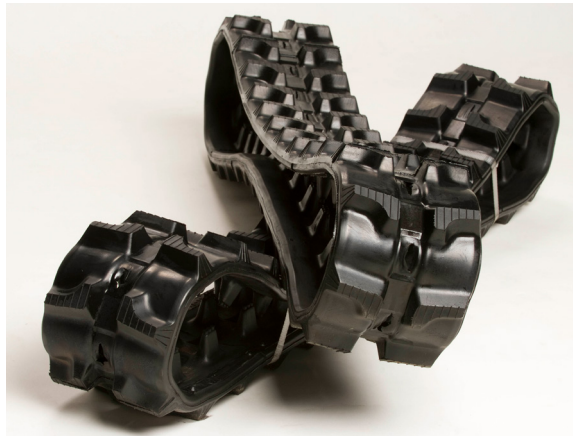

Poor visibility is a key factor in poor workmanship, and on-site accidents resulting in avoidable damage to your machine. 10% off OEM mirrors on the Komatsu PC210-class excavators.

10% OFF ALL MIRRORS!

RUBBER TRACKS

Rubber Tracks are a protective rubber band that protects the machine's chain, offering a safe, reliable, and easy-to-install option for utility excavators of makes & models (not just Komatsu).

FREE DELIVERY ON RUBBER TRACKS!
