

SPECIAL PRODUCT SUPPORT OFFERS

Winter 2024

All offers valid from 1st November 2024 to 31st January 2025

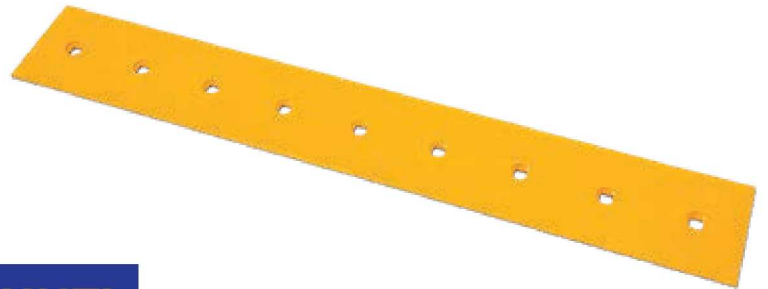

The Cutting Edge!

High quality cutting edges are the driving force of productivity and profitability – opting for a poor quality version can eat at your bottom line.

Komatsu OEM cutting edges & end bits are heat treated to 500 brinell to reduce the need to replace blades too often.

For a limited time only, Marubeni Komatsu is offering a 10% discount on OEM cutting edges.

SPECIAL OFFER! 10% DISCOUNT!

Wiper blades

Poor visibility is one of the biggest causes of on-site accidents. Avoid unnecessary machine damage or downtime by replacing wiper blades quickly.

| Machine Model | Part Number | Offer Price |
|---------------|--------------|-------------|
| PC210LC-10 | 20Y-54-39450 | only £42.01 |
| D39PXi-24 | 17A-Z11-2581 | only £34.61 |
| D61PXi-24 | 12Y-978-2450 | only £46.95 |
| D275AX-5E0 | 195-Z11-8550 | only £55.36 |
