KOMATSU

A complimentary maintenance program for Komatsu customers.

Keep your new Komatsu machine up and running – and your cost of ownership down

A new industry standard, with exclusive benefits

Komatsu CARE is free and comes as standard with every new Komatsu EU STAGE IIIB (S3B) construction machine. For the first 3 years or 2,000 hours it covers factory-scheduled maintenance, performed by Komatsu-trained technicians with Komatsu Genuine parts.

It also offers up to a maximum of 2 complimentary Komatsu Diesel Particulate Filter (KDPF) exchange units and a KDPF warranty for the first 5 years or 9,000 hours.

Standard on all S3B models

- Komatsu Genuine Oil & Maintenance Kits at 250 (S3B articulated dump trucks only), 500, 1,000, 1,500 and 2,000 hrs
- Labour and mileage per periodical maintenance
- Komatsu Diesel Particulate Filter (KDPF) cleaning at 4,500 hrs / 9,000 hrs / 5 years warranty

Increased efficiency & peace of mind

Komatsu's next-generation technology for diesel engines leads the way to less emissions and lower fuel consumption. Komatsu CARE lets you operate your new S3B equipment at its highest efficiency and with complete confidence.

Enhance Komatsu CARE with the "Maintenance Plus" extended warranty option

For continued protection from unplanned expenses and impacts in cash flow, the Maintenance Plus option provides extended warranty coverage, assures continued factory-trained servicing of your machine and will lock in the cost of covered parts and labour for the extended warranty period.
